# WANTED
## Volunteer Digital Champions

Our team of volunteers can choose to host regular Digital Cafés across Somerset or support occasional digital activities and events.

**You don't need to be a technical wizz, just have patience and people skills.**

- Support people in your community to build confidence using their phone, laptop or tablet

- Teach others new digital skills to improve their health and wellbeing and have a positive impact on those you help

**Full training and support is available and expenses paid**
